

The Money Workshops

The **MONEY** Charity

HELPING YOUR WORLD GO ROUND

www.themoneycharity.org.uk

The Money Charity is proud to offer schools unique and tailored workshops for KS3, KS4 and Post 16 students. Detailed below is further information on each of the standard workshops we offer.

We pride ourselves on providing high quality support and flexibility to schools by offering workshop fits in with designated lesson times. Workshops are delivered to a classroom sized group of around 25 - 30 students.

Each workshop is delivered by an expert presenter and provides the building blocks to sound money management. Each workshop includes a range of activities, the chance to debate and discuss, and relevant takeaways for the students.

Our workshops are mapped to the English, Welsh and Northern Ireland Curriculums.

Our workshops come in a standard set of three or four hours, depending on the Key Stage. We recommend you signing up for all the standard workshops under each Key Stage, to ensure your students benefit from as much of the available content as possible. However if time is limited we can deliver all the workshops as stand alones.

Please select from our standard workshops below – or get in touch if you require something different.

KS3A Money workshop

The first hour of our KS3 workshop covers some of the key aspects of financial capability:
