Money Personality Quiz

If you chose **Mostly As**

You're a Saver! You enjoy saving your money and the security it brings. An excellent saver, well done, you've got the skills to manage your money. But remember to treat yourself once in a while.

If you chose **Mostly Bs**

You're a chiller! You tend not to worry about money or let it influence your decisions and you generally don't plan for the future. Perhaps you could develop your knowledge and understanding of how to deal with and look after your money?

If you chose **Mostly Cs**

You're a spender! You love to spend, spend, spend and buy whatever you want, when you want it. Be careful you may find it difficult saving and budgeting in the future if you don't get into a habit now so start with a savings plan to help.
