

Teacher Resource Packs

Need some support in delivering engaging and interactive financial education?

To support teachers to deliver financial education themselves, we have now designed **free** teacher resource packs.

- ✓ Designed to fit into the national curriculum
- ✓ Created using input and feedback from teachers
- ✓ Can be stand alone or can be used to build on our Money Workshops.
- ✓ Each pack contains around 1 hours' worth of content – 3 activities each lasting around 20 mins eg. Cards sorts, board games, clue hunts and discussions
- ✓ The packs arrive fully formed with all the instructions and resources needed to run the activities
- ✓ Each of these activities can stand alone, or be delivered together as a 1 hour session

The Money Charity is a national financial capability charity providing financial education, information and advice to young people and adults throughout the UK. Our vision is for everyone to be on top of their money as a part of everyday life. So, we empower people across the UK to build the skills, knowledge, attitudes and behaviours to make the most of their money throughout their lives.

*We will be developing more resources so please check on our website to see if additional packs are available.
