Uni Money Workshops

Why Book With Us?

Managing your money well is important throughout your life. Uni is a key time because for lots of us, it is the first time we'll have to be responsible for our own finances.

71% of students wish they'd received better Financial Education in school, with **76%** of students worried about making ends meet*.

The Money Charity's Uni Money Workshops can help students to get to grips with their money so they can spend more time concentrating on having fun and enjoying their uni life (and doing some work!)

Also, our **Student Money Manual** is a great, free downloadable resource to help your students get on top of their money! Get your copy at:
