THE **MONEY** CHARITY

# Financial Education Teacher Fellowship

## Become a Financial Education Lead in your school

A new Fellowship for primary and secondary school teachers who want to strengthen Financial Education and help young people develop essential skills for life.

### The Fellowship Includes:

✓ Expert Training
✓ Bespoke Consultancy
✓ Project Funding
✓ 3 free Pupil Workshops
✓ Peer Learning

### 40 Fellowship places for primary and secondary teachers

**North Cohort:** Includes one in person event in Manchester
**South Cohort:** Includes one in person event in London

# Your Fellowship Journey

A year of learning, development and practical support to help you lead Financial Education in your school.

**Launch Day + three online sessions**

### 1. LEARN | December to March

**Build your knowledge and leadership skills**

Meet your cohort at an in person Launch Day, followed by three online development workshops exploring Financial Education, how to embed it in your school, leading change and turning ideas into action.

**Bespoke consultancy + project funding**

### 2. DEVELOP | Summer Term 2027

**Turn your ideas into a plan**

Work with The Money Charity through bespoke consultancy to develop a Financial Education project or approach that responds to the needs of your school and pupils.

**Three free pupil workshops + ongoing support**

### 3. DELIVER | Summer Term to Autumn 2027

**Put your learning into practice**

Implement your approach in school, with ongoing support from The Money Charity and three free Financial Education workshops for your pupils, and measure your impact.

## Make it work for your school

Every school is different. The Fellowship will help you develop an approach that responds to your pupils, your priorities and your school context.

# Could the Fellowship be for you?

We are looking for people who want to strengthen Financial Education in their school and have the potential to champion its development.

### Every school is different

Your school might be just beginning its Financial Education journey, or you might already be delivering it and want to make it more targeted, coordinated or embedded across your school

### There is no single starting point

What matters is your commitment to strengthening Financial Education and making a difference for your pupils.

**Teachers from all subjects and year groups are welcome**

You do not need to teach a particular subject or age group. We are interested in teachers who want to champion Financial Education and have the opportunity to influence change within their school.

**The Fellowship could be for you if...**

✓ You want to strengthen or expand Financial Education in your school
✓ You have identified gaps or opportunities in your current approach
✓ You want Financial Education to better respond to your pupils' needs
✓ You are interested in leading and influencing change
✓ You have support from your school to put your learning into practice

### You don't need to be a Financial Education expert or arrive with a fully developed project.

With expert led training, peer learning and bespoke support from The Money Charity, you'll develop your knowledge, confidence and ideas throughout the Fellowship.

# What will you commit to?

The Fellowship runs across the 2026/27 academic year, with activity continuing into Autumn 2027.

## Why now?

Financial Education is becoming an even greater priority in schools, with curriculum changes creating new opportunities to strengthen how young people learn about money.

## Financial Education is changing

From September 2028, Financial Education will form part of the new statutory primary Citizenship curriculum in England for the first time, alongside a strengthened focus on Financial Education at secondary level.

**As a Fellow, you will:**

✓ Attend an online welcome conversation in November
✓ Attend your regional in person Launch Day in December
✓ Attend three online development workshops from January to March
✓ Take part in bespoke consultancy and support
✓ Develop and put your Financial Education ideas into practice in your school
✓ Support the delivery of three free Money Charity workshops for your pupils
✓ Take part in evaluation and shared learning
✓ Attend the final Fellowship event in Autumn 2027

## Supported by your school

To make the most of the Fellowship, we ask that your school and senior leadership team commit to give you the time and opportunity to take part fully.

### Key Dates - North Cohort

**In person Launch Day in Manchester**
2 December 2026
**Online Workshop 1**
13 January 2027

# What will you gain from the Fellowship?

Develop the skills, confidence and support to lead meaningful change in Financial Education at your school

**Develop as a leader**
Build your confidence to champion Financial Education, engage colleagues and influence change within your school.

**Invest in your professional development**
Build your knowledge, skills and confidence through 12 hours of expert led training and peer learning.

**Turn ideas into action**
Receive £500 worth of bespoke consultancy and £250 of project funding to develop an approach that responds to your school and pupils.

**Build lasting change in your school**
Develop the knowledge, confidence and approach to strengthen Financial Education beyond the Fellowship and build lasting capability within your school.

**Why The Money Charity?**

**30+ years of Financial Education experience. Around 40,000 people reached every year.**
We've been helping people build the skills, knowledge, confidence and behaviours to manage their money well for over three decades. Throughout the Fellowship, you'll benefit from that experience through practical training, bespoke consultancy and ongoing support.

## FREQUENTLY ASKED QUESTIONS

**Do I need to be a Financial Education expert?**
No. The Fellowship is designed to build your knowledge and confidence.

**Does my school need to already deliver financial education?**
No. We welcome schools at different stages of their Financial Education journey.

**Do I need to teach a particular subject or year group?**
No. Teachers from all subjects and year groups are welcome.

**Is there a cost to take part?**
There is no fee to take part in the Fellowship. Training, consultancy, project funding and pupil workshops are provided as part of the Fellowship. Schools will need to cover any travel expenses and staff cover costs associated with taking part in the Fellowship.

# Ready to become a Financial Education Lead?

If you are excited about strengthening Financial Education in your school and want to develop your skills, ideas and leadership, we would love to hear from you.

## APPLICATIONS ARE NOW OPEN

**Apply by Monday 2 November 2026**
**Apply on our website here**

**Before you apply**
The application form is designed to help us understand you, your school and what you hope to gain from the Fellowship.

**You'll be asked about:**
✓ Your role and school
✓ Financial Education in your school now
✓ Why you want to take part
✓ Your initial ideas for strengthening Financial Education
✓ Support from your senior leadership team

**You don't need to have a fully developed project to apply.**

## What happens next?

Applications close **Monday 2 November 2026**. Successful Fellows will be confirmed during the week of 9 November and invited to a short online welcome conversation before the Fellowship begins.

**Have a question?**
We'd be happy to help. Contact Marco at marco@themoneycharity.org.uk

The Fellowship is delivered by **The Money Charity** and supported by the **Aberdeen Group Charitable Trust**.
